

"WEEK #2 – The Faith of Abel"

Preached: September 22, 2024
Series: "Faith-Filled" – Fall 2024
Scripture: Hebrews 11:4

SECTION 1 – GROWTH GROUP QUESTIONS

1. Talk about your relationship with your siblings. When have those relationships been difficult? When have you been in a place where you felt like you were competing with the sibling?
2. In genesis 4:4 and genesis 4:7 the scriptures compare the gifts of Cain versus Abel. Why was Cain's gift not acceptable and Abel's gift seen as acceptable?
3. How does Abel's faith still speak today?
4. There seems to be a subtle difference between Cain and Abel and yet God sees this difference as being pretty significant. Why do you think this is?
5. How has the curse of comparison ruined a situation in your life? How do we minimize comparisons and bring our focus to ourselves?

6. Keenan made this statement in his sermon on Sunday, "Living a life of faith is to be the quiet hero." Who have you known in your life who has been that quiet hero of faith?

7. Cain's anger might be labeled as "entitlement" by some people. What is the role of entitlement in our culture and what do these passages teach us about it?
